

# Stanley Preschool

## Safe Snack List

- **Only items on this list will be served.**
- Parents take turns providing a nutritious snack for their child's class.
- Food items that "**may contain traces of peanuts/tree nuts/sesame**" and "**manufactured in a facility that also processes peanuts/tree nuts/sesame**" including **Hummus (contains tahini, sesame)** are banned from the school.
- The snack list provides a variety of options, however, fresh fruit, vegetables, yogurt, cheese and other non-processed snacks are encouraged.
- Raisins and popcorn are not acceptable due to a choking hazard.
- **Cake box and Icing containers MUST accompany the snack** for allergy parents to read. Snack will not be served without it.
- All **Annie's, Made Good and School Safe** products are considered safe.
